Help when you need it most.
INSURANCE

I want my car to be as good as new.

Solved.

At RACT Insurance we understand that Tasmanians want competitively priced insurance that really counts when it's needed. That's why RACT comprehensive car insurance includes:

Agreed Value

Imagine finding that the payout from your insurer is less than the value of your car loan! At RACT Insurance we will pay the value we agreed so there are no nasty surprises.

Choice of Repairer

Get your vehicle repaired by a repairer of your choice. We can also recommend a quality repairer from our panel of approved repairers.

Rating One for Life

Once you reach Rating One, it's yours for life. That means no increase in the premium if you make a claim.

Unlimited Towing

If you have an accident a long way from home (including on the mainland), there's no need to worry about expensive towing costs.

New Car Replacement

If your new car is written off within two years, we'll replace it with the same make, model and series, as well as pay any on-road costs.

Guaranteed Repairs

We guarantee the repairs we authorise for as long as you own the vehicle.

Aussie Assist

If you're more than 50 km from home we'll provide Aussie Assist benefits such as support for illness and injury while travelling anywhere in Australia.

At RACT Insurance we also offer alternatives if comprehensive car insurance is not for you. Such as:

- Third Party Property Damage
- Third Party Fire and Theft
- Collector's Car
- Caravan and Motorhome

For a quote on car insurance or to discuss your insurance needs call 13 27 22 or drop into your local branch.

Of course, with RACT Insurance you will enjoy all the flexibility, features and benefits you expect from Tasmania's leading insurer such as:

- The convenience of a Personal Insurance Portfolio. At RACT Insurance you can combine your car, building and contents policies and **receive up to 10% discount**, and avoid the hassle of multiple policies.
- Great discounts for customers aged over 50 who are not working full-time.
- Paperless claims. If you wish to make a claim simply call 13 27 22 and your claim can be lodged over the phone 24 hours a day, 7 days a week.
- Local branches and call centres. When things go pear-shaped, talk to a Tasmanian who understands your situation.
- Optional excesses to suit your requirements.
