

Drive to conditions through this beautiful West Coast wilderness

You don't know

what's

around

the corner!

A message from the West Coast Community Road Safety Committee

**Welcome to Tasmania's West Coast
and enjoy driving through our
wonderful World Heritage area.**

Drive to conditions

You just don't know what's around the corner. It could be...

- **ice and snow** in cold conditions.
- **native wildlife**, particularly at dawn and dusk.
- **heavy vehicles**, stay well to the left and overtake only when it is safe to do so.
- **winding bends**, stay well to the left, do not cut corners.

Plan

- Take breaks to avoid driver fatigue. Stop, take photos and enjoy the magnificent views, waterfalls and wilderness walks.
- Allow plenty of driving time between destinations.

Remember

- When stopping to take photos, park your vehicle only where it is safe to do so.

**While on our roads look out for what
may be just around the corner!**
